

# Aerial Edge Foundation

## Course Application Process

Thank you for your interest in Aerial Edge Circus School's Foundation Course. This document details the 2023 application process.

### Allocation of places

Each Course has 12 places available and we will fill these on a first-come, first-served basis.

### Course dates

Our March 2023 Course begins on March 6th and runs to June 24th. We are currently accepting applications for this Course.

Our August Course dates will be announced during December but we anticipate it starting between 14th and 28th August.

### Visas and accommodation

While Aerial Edge cannot provide accommodation or a visa service for non-UK residents, we may be able to help. Please ask if you would like assistance.

### Application process steps

- 1** Prospectus questions - please consider the questions on Page 11 of our prospectus (<https://aerialedge.co.uk/assets/docs/FC-Prospectus-2022.pdf>) and email your answers to [mark@aerialedge.co.uk](mailto:mark@aerialedge.co.uk) or by WhatsApp message to 07360 546 232. You may provide your answers in writing, on a video recording or voice message.
- 2** Video interview - schedule an informal discussion with the Course Director Mark Gibson, by sending three suggested dates/times by email or WhatsApp.
- 3** Audition/video submission - we aim to schedule auditions in January and February for those who are able to attend in person. We will accept a video submission which should show your current skill set. It's not important what level you are at, we simply need to assess your needs so that we can make appropriate plans with instructors.
- 4** Acceptance - when we agree that the Course is a good fit for you, we will send you a formal acceptance letter with our terms and conditions for you to sign and return.
- 5** Fees - Course fees are payable either in full in advance or in three instalments:
  1. £200 deposit to be paid when you return the acceptance letter.
  2. £1,300 to be paid before the start of the Course.
  3. £1,499 to be paid before week 9 of the Course.
- 6** Welcome - after the audition period, you'll be sent a welcome pack with information on your instructors and the schedule. Depending on where students come from and when they arrive in Glasgow, there may be an informal meet-up before the Course begins.

We look forward to receiving your application.
